

## **CA Statewide Trainings!**

Coming

**AUGUST 2010**

**3 Trainings** to be scheduled in **N.CA**

**3 Trainings** to be scheduled in **S.CA**

Dates and Locations will be posted soon, and to register go to the CalAct Website at [www.calact.org](http://www.calact.org)!

Focus will be:

### **Reducing Liability by Understanding the correct principles of Wheelchair Securement & Occupant Restraint...**

- 1) Overview of **all areas** involved in transporting persons in mobility aids
- 2) Discuss briefly the standards/regulations that apply
- 3) Review equipment, function, and maintenance
- 4) Learn proper applications, and correct principles applying to WC Securement & Occupant Restraint
- 5) See Crash Test Videos
- 6) Review methods of securement for Scooters/Tri-Wheelers/Power Chairs
- 7) Hands on training for attendees

Sessions should run approximately 3 hours and Groups will be limited to 20 – 25 people per session.
