Instructors Course in Bus Operator Training

Presented by: Transit Safety Institute (TSI)

July 26 - 29, 2010

Orange County Transportation Authority, 505 South Main Street, Orange, CA 92863

This instructor-led course provides the U.S. Department of Transportation standardized training program that can be conducted by any transit service provider to train qualified, professional bus operators. Attendees are trained in presentation and creative learning techniques, facilitation methods, and adult learning principles for teaching operators skills in vehicle operations, emergency management, and customer relations. Upon completion of this course, instructors are certified by the U.S. DOT to train bus operators.

Who should attend: Safety Managers and supervisors, training managers and driver trainers.

How you will benefit:

- Apply the fundamentals of adult learning principles
- Practice facilitation skills
- Practice making public presentations
- Select the best multimedia techniques to enhance a presentation
- Teach the paratransit operator training program
- Request U.S.DOT certificates through TSI

What you will learn:

- Practice instructional strategies to accommodate various training environments
- Apply adult learning principles
- Identify delivery styles and methods, training aids, multimedia equipment
- Use facilitation skills, the art of questioning, managing class participation
- Apply team teaching
- Practice teaching strategies, the training environment, and class configuration

Fee \$100 (Payment is non-refundable)
Since there are only 12 spots available, your registration will not be complete until payment is made.
