This training will focus on wheelchair securement and occupant training. It is designed for all agencies and their operators transporting passenger with wheelchairs or mobility devices. The workshop will focus on an:

- Overview of all elements involved in transporting persons with mobility aides
- Review of equipment, function, maintenance, etc
- Demo elements of proper securement with various types of wheelchairs
- Hands-on activities for attendees to practice what they have learned with an eye for problem solving
- Briefly discuss regulations with the main focus on increasing driver/operator/trainer proficiency

Registration: Registration is available on the CalACT website: www.calact.org

Fee: There is **no fee** to attend this training

If you have any questions or need additional information please feel free to call CalACT at 916-920-8018.
