**Redding is
known as the
Trail Capital of
California**

**300 days of sun
per year
Sunniest City in
California**

LIVING HERE

As one of the largest cities north of Sacramento, Redding sees nearly 300 days of sunshine per year, making it the sunniest city in California. Hot summers lead to mild winters, making year-round recreation possible. Redding has top-performing schools from preschool through college and award-winning hospitals, both full-service and specialty. Along with shopping, dining, and art venues, Redding has something to offer the adventurer and the urban dweller in your family.
