Are you new to transit or just need a refresher on the Federal Transit Administration (FTA) regulations for transit operations? If so you should attend this webinar to learn all the required federal regulations for FTA grantees and DOT subrecipients.

This webinar will provide an overview of all the federal regulations that you must understand and comply with if you receive any federal funds to provide transit services. Some of the regulations covered will be charter regulations, procurement, civil rights, safety plans and more. This webinar is broken up into three days to cover all the regulations. You can attend one or all of the webinars and only need to register once.

Speakers: Matt Bussey, RLS & Associates
