

Implementation of the ADA in Public Transit

October 30, 2024

9:30 AM-12:30 PM

Description:

This two-hour presentation is an in-depth regulatory look at ADA from the public transportation perspective and a presentation of the steps necessary to achieve and maintain ADA compliance. The training is continually updated to reflect all updates and interpretations to the original ADA regulation.

After registering your will receive an email link for the webinar.
