UPDATE OF GLENN COUNTY'S RIGHT-OF-WAY AND PARCEL FABRIC

I. INTRODUCTION

A. INFORMATION

The Glenn County Transportation Commission (GCTC) is requesting proposals from qualified consultants for a comprehensive update of Glenn County's right-of-way and parcel fabric.

This Request for Proposal is being issued by GCTC. Unless otherwise directed, all communications regarding this Request for Proposals should be submitted in writing to the Transportation Commission staff via e-mail at transit@countyofglenn.net.

Any revisions to the Request for Proposals will be issued and distributed as addenda. Proposers are encouraged to submit any questions or items for clarification in writing to the above-mentioned person.

B. BACKGROUND

The GCTC is the designated Regional Transportation Planning Agency (RTPA) pursuant to California Government Code Section 29535. The GCTC encompasses Glenn County, the City of Orland and the City of Willows. As the designated RTPA, it is responsible for the transportation planning and project programming in Glenn County and is the policymaking body for the transportation system. The GCTC funds its operations through a combination of Rural Planning Assistance funds, grants, and Transportation Development Act (sales tax) funding. Staff from the Glenn County Planning & Community Development Services Agency serves as staff to the GCTC.

Glenn County is in the northern central valley of California, approximately 75 miles north of Sacramento. It is comprised of approximately 1,315 square miles and is bounded on the east by Butte County; the north by Tehama County; the west by Mendocino County and Lake County; on the south by Colusa County. The Sacramento River extends along the eastern boundary in a north-south direction. The eastern portion of the County is relatively flat and contains the majority of Glenn County's approximate 29,000 residents. In the western quarter of the county, the landscape rises into the Pacific Coast Range where mountain peaks are in excess of 6,000 feet in elevation. Approximately 27% of lands within Glenn County are government owned.

The cities of Willows and Orland are the two incorporated cities within Glenn. These cities contain approximately one half of the county population. There are several smaller unincorporated

communities throughout the County (Hamilton City, Ord Bend, Artois, Elk Creek, Butte City, Bayliss, Afton, Codora, and Glenn) and other communities in the unincorporated areas surrounding the two cities. The Grindstone Indian Rancheria is located north of the community of Elk Creek and is the official recognized Tribal government in the County.

There are three State highways and one interstate route which run through Glenn County: Interstate 5 and State Highways 162, 45, and 32. These highways form the framework of the surface transportation network in Glenn County. Glenn County has two general aviation airports. One is located on the west side of the City of Willows and the other is located east of the City of Orland. Neither airport supports passenger travel currently.
